Sahana Defence Limited subsidiary of Sahana System Limited Signs MoU with Bharat Electronics Limited to Collaborate on Advanced Defence & Digital Technologies

Ahmedabad – February 09, 2026 | Sahana System Limited (NSE: SAHANA) | Sahana System Limited, a pioneering IT services provider founded in 2013 and headquartered in Ahmedabad, specializing in AI, ML, IoT, Blockchain and IT outsourcing with a presence in DefenceTech, FinTech, HealthTech and EduTech is pleased to announce that **Bharat Electronics Limited (BEL)**, has signed a Memorandum of Understanding (MoU) with **Sahana Defence Limited (Formerly known as Softvan Limited)**, a subsidiary of Sahana System Limited.

The MoU establishes a framework for cooperation between the parties to jointly explore opportunities across multiple cutting-edge technology domains. Under this collaboration, Sahana System Limited, through Sahana Defence Limited, will leverage its capabilities in Digital Product Engineering, Electronic Warfare & Avionics (EW&A), Cyber Security, Cloud Services and enterprise digital solutions, alongside BEL's extensive expertise in system integration, programme execution and defence electronics.

The partnership represents a shared intent to co-create and deliver indigenous, mission-critical solutions, with a focused emphasis on Anti-Drone Technologies, Cloud Services, Cyber Security solutions and Digital Governance platforms, while supporting the national objective of self-reliance under the Aatmanirbhar Bharat initiative.

Key Highlights of the MoU:

- **Scope of Collaboration:** Joint development, marketing and execution of advanced technology solutions
- **Focus Areas:** Anti-Drone Systems, Cloud & Digital Infrastructure, Cyber Security, Digital Governance & Enterprise Platforms, FinTech, HealthTech, EdTech and ERP solutions
- **Strategic Objective:** Development of indigenous, secure and mission-critical solutions for defence, government and civilian applications

Management Commentary:

Commenting on this development, Mr. Pratik Kakadia, Chairman and Managing Director said:

"We are pleased to enter into this strategic MoU with Bharat Electronics Limited, a globally respected defence PSU with deep domain expertise and execution capabilities. This collaboration marks an important milestone in our journey of building indigenous, high-impact technology solutions across defence, security and digital governance domains.

By combining BEL's strengths in system integration with Sahana Defence's capabilities in digital engineering and cyber security, we aim to develop scalable, secure and future-ready solutions aligned with national priorities. We believe this partnership will open new avenues for long-term growth while reinforcing our commitment to the Aatmanirbhar Bharat vision."

Company Overview

Sahana System Limited, established in 2013, is a pioneering force in the IT services industry. Headquartered in Ahmedabad, Gujarat, our organization specializes in delivering innovative, cutting-edge technology solutions. Our expertise encompasses Artificial Intelligence, Machine learning, Internet of Things, Business Intelligence, Blockchain, IT outsourcing and a wide range of other specialized services. With a diverse industry presence, we have a strong foothold in DefenceTech, Fintech, Healthtech, Edutech and Master System Integration. This versatility enables us to cater to the unique needs of various sectors, fostering long-term partnerships with our clients.

As a CMMI Maturity Level 5 compliant and ISO-certified company (ISO 9001:2015 and ISO/IEC 27001:2013), we adhere to the highest standards of quality and operational excellence. Our commitment to customer satisfaction, coupled with an impressive track record of repeat business, drives our ambition to lead the IT and product development sectors. As a trusted partner to prominent enterprises, government and government-aided bodies, defence organizations and financial institutions, we take pride in our ability to foster collaborative relationships that drive innovation and growth.
