## SAHANA SYSTEM LIMITED ENTERS AGREEMENT AS CONSORTIUM MEMBER FOR LARGE-SCALE SMART EDUCATION PROJECTS IN ASSAM

**Ahmedabad – February 11, 2026 | Sahana System Limited (NSE: SAHANA) |** Sahana System Limited, a pioneering IT services provider founded in 2013 and headquartered in Ahmedabad, specializing in AI, ML, IoT, Blockchain and IT outsourcing with a presence in DefenceTech, FinTech, HealthTech and EduTech is pleased to announce that it has received multiple **agreements** as a consortium member for the implementation of **Smart Technology-enabled education infrastructure projects** across government schools in the state of Assam.

The contracts have been awarded by **Samagra Shiksha, Assam**, under the Ministry of Education, Government of India. The projects are being executed through a consortium led by **Gumbi Software Private Limited, the Lead Supplier**, with **Sahana System Limited** participating as a **Supplier Member of the Consortium**.

### Key Highlights of the Orders:

- **Project Coverage:** Deployment across approximately **1,500 Government and Provincialized Schools** in Assam
- **Scope of Work (Consortium):** Supply, installation, commissioning and integration of Smart Tech Classrooms, ICT infrastructure, analytics-powered classroom software, digital content platforms and Virtual Reality (VR) based learning systems, along with multi-year Operations & Maintenance (O&M)
- **Revenue Attribution to Sahana System Limited:** The **estimated revenue share attributable to Sahana System Limited is approximately ₹150 crores**, to be executed over a tenure of **5 years**, subject to final scope allocation, milestone-based execution and O&M terms under the consortium agreement
- **Strategic Impact:** Strengthens Sahana System Limited's presence in large-scale GovTech and EdTech projects, while providing medium- to long-term revenue visibility through execution and operations phases

### Management Commentary:

**Commenting on this development, Mr. Pratik Kakadia, Chairman and Managing Director said:**

*"We are pleased to participate in these large-scale Smart Education projects in Assam as a consortium member alongside Gumbi Software Private Limited, the lead supplier for the engagement. These LOAs further strengthen our government sector order book and reinforce our capabilities in delivering technology-enabled education infrastructure at scale.*

*The projects offer strong execution visibility along with a multi-year operations component and are well aligned with our strategic focus on scalable, mission-critical digital infrastructure deployments. We remain focused on disciplined execution, timely delivery and sustained operational performance while creating long-term value for our Shareholders."*
